3 GOOD REASONS WHY DREAM PAD IS THE ONLY SADDLE PAD YOU REALLY NEED

The revolutionary saddle pad with Alcantara lining that combines modern design with maximum comfort, granting an excellent grip with your saddle and perfectly absorbing shocks, thanks to its memory foam inserts.

✓ No more pain, muscle contractures or abrasions. Pressures get evenly distributed, providing top protection for your horse's back, as well as for yours.

✓ Say goodbye to unstable saddles that move or lift during crucial phases such as jumping. Your saddle remains perfectly stable at any moment of your work.

✓ Get rid of humidity, bacteria and nasty smells caused by non-waterproof, non-antibacterial materials.
